

Digital Literacies Level 1

Be Creative (Make, Design, Build, Create)				
TCH 1-04a * I explore and experiment with the features and functions of computer technology and I can use what I learn to support and enhance my learning in different contexts.	Programming	I can make a simple game.		
	Filming	I can use a webcam or camera to create a film. I can delete unwanted videos from the camera. I can upload photos to create a photo slideshow.		
TCH 1-04b * I can create, capture and manipulate sounds, text and images to communicate experiences, ideas and information in creative and engaging ways.	Photographing	I can capture images using a webcam or camera and upload these to the computer.		
	Podcasting	I can create a simple podcast.		
TCH 1-15a I am developing an interest, confidence and enjoyment in using drawing and colour techniques, manually or electronically, to represent ideas in different learning situations.	Composing	I can use software to create a piece of music.		
	Presenting	I can create a presentation with a number of pages containing text and image		
	Publishing	I can create a digital book or comic to share with others.		
	Designing	I can create a poster or leaflet appropriate to my audience.
